ESSENTIALITY CERTIFICATE

Sir,

The desired certificate is as follows :-

01	No. of institutions already existing in the State	06 Autonomous Medical College 07 Private Medical Colleges
02	No. of seats available or No. of doctors being produced annually.	MBBS seats
03	No. of doctors registered with the State Medical Council.	Not Updated
04	No. of doctors in Government Service.	Not Updated
04	No. of Government Posts vacant and those in rural/difficult areas.	Not Updated
06	No. of doctors registered with Employment Exchange.	Not Updated
07	Doctor population ratio in the State.	The Population of State is 7,26,27,000 as per 2011 census. The population of Indore Division, where the Medical College is proposed 1,25,43,372
08	How the establishment of the college would resolve the problem of deficiencies of qualified medical personnel in the state and improve the availability of such medical manpower in the State.	By increasing qualified Medical doctors in the State of Madhya Pradesh.

09	The restrictions imposed by the State Government, if any, on students who are not domiciled in the State from obtaining admissions in the State, be specified.	No restrictions. The admission will be made through competitive examination as per Hon'ble Supreme Court directions from time to time.
10	Full justification for opening of the proposed college.	For opening of the proposed Medical College, the applicant is a Registered Society, having 300 bedded running hospital and adequate planning & time bound programme for 750 bedded hospital. The applicant is developing staff quarters, Nurses quarters, Boys & Girls hostel along with ample administrative block, parking space, sports ground and having well managed funds to run the Medical College & Hospital. The Hospital would serve the growing population of Indore division. People will get modern health treatment under one roof. The opening of Medical college will give 150 trained & educated Medical Professionals to the society every year, who will contribute in serving the public at large. Thus opening up of a Medical

		College and Hospital in Dewas would not only bridge the huge gap but will definitely contribute on its part for the service of needy patients of Dewas in particular and the state at large.
11	Doctor-patient ration proposed to be achieved	Marginally increased.

The **Amaltas Educational Welfare Society** has applied for establishment of a new Medical College at Dewas.
